

ATM Locations

Remington FCU offers access to your funds throughout the country via the CO-OP ATM network. To find the nearest CO-OP ATM, please use the following link.

In addition we have joined the Sharenet group in Central New York to provide even more access to your account. The Following are the Sharenet locations.

Sharenet

The Sharenet ATM network provides surcharge-free access to the members of participating credit unions in Central New York. Sharenet is a cooperative endeavor of local credit unions to provide ATM access near where their members work and live.

Sharenet also provides among the lowest surcharge fees for non-members of any ATMs in Central New (\$1.00 to \$1.50 per withdrawal depending on ATM). Non-credit union ATM users are encouraged to use our ATMs to save on surcharge fees... or better yet, find and join one of our [participating credit unions](#) and enjoy fee-free access!
